

#### **§ 400.685**

(3) No premiums will be due and any premium paid will be refunded except when the policy is void due to a conviction of a controlled substance violation according to § 400.680, in which case the insured will still be required to pay 20 percent of the premium the insured would otherwise be required to pay to offset costs in the servicing of the policy.

(e) When the insured share of a policy is reduced in accordance with this subpart:

(1) Any indemnities or payments commensurate with the share reduced already made will be declared overpayments and must be repaid in full; and

(2) Any premiums paid by the insured commensurate with the share reduced will be refunded.

(f) Any insurance written by an insurance provider to any person who is ineligible under the provisions of this subpart is not eligible for reinsurance by FCIC. All premium subsidies, expenses, or other payments made by FCIC for insurance written for any person who is ineligible under the provisions of this subpart must be immediately refunded to FCIC. However, with regard to policies that would be void due to a conviction of a controlled substance violation according to § 400.680, if the insurance provider follows the procedures of FCIC and the requirements of the regulations, reinsurance will continue to be provided under the reinsurance agreement on the policy unless it is shown that the agent or insurance provider had knowledge of the facts which would indicate ineligibility on the part of the insured and failed to act on that knowledge.

#### **§ 400.685 Criteria for regaining eligibility.**

After the period of ineligibility as specified in § 400.683 has ended, the ineligible person is eligible to participate in programs authorized under the Act, provided the person meets all eligibility requirements.

(a) After a person regains eligibility for crop insurance when their policy was terminated or voided, the person must submit a new application for crop insurance coverage on or before the applicable sales closing date to obtain insurance coverage for the crop. If the

#### **7 CFR Ch. IV (1–1–16 Edition)**

date of regaining eligibility occurs after the applicable sales closing date for the crop, the person may not participate until the following year unless that crop policy allows for applications to be accepted after the sales closing date.

(b) If a person who was determined ineligible according to this subpart is subsequently determined to be an eligible person for crop insurance through reinstatement, mediation, arbitration, appeal, or judicial review, such person's policies will be reinstated effective at the beginning of the crop year for which the producer was determined ineligible, and such person will be entitled to all applicable benefits under such policies, provided the person meets all eligibility requirements and complies with the terms of the policy.

[79 FR 2079, Jan. 13, 2014, as amended at 79 FR 37161, July 1, 2014]

#### **§ 400.686 Administration and maintenance.**

(a) Ineligible producer data will be maintained in a system of records established and maintained by the Risk Management Agency in accordance with the Privacy Act (5 U.S.C. 552a).

(1) The ITS contains identifying information of the ineligible person, including but not limited to, name, address, telephone number, SSN or EIN, reason for ineligibility, and time period of ineligibility.

(2) Information in the ITS may be used by an authorized person. The information may be furnished to other users as may be appropriate or required by law or regulation, including but not limited to, FCIC contracted agencies, other government agencies, credit reporting agencies, and collection agencies, and in response to judicial orders in the course of litigation. The individual information may be made available in the form of various reports and notices.

(3) Supporting documentation regarding the determination of ineligibility and reinstatement or regaining of eligibility will be maintained by FCIC, or its contractors, insurance providers, Federal agencies, and State agencies. This documentation will be maintained
